

Some people who participate in CUPE Local 2191 events report sensitivities to various chemical-based or scented products. We ask for everyone's cooperation in our efforts to accommodate their health concerns.

Members and visitors are requested, out of respect for others' health concerns, to not use these products when participating in CUPE Local 2191 events.

CUPE Local 2191 events are **Scent-free environments.**

What are some products that contain scent?

- shampoo and conditioners
- hairsprays
- deodorants
- colognes and aftershaves
- fragrances and perfumes
- lotions and creams
